Mrs. Hansman and daughter, Miss Sena, of Keytesville, were guests at the home of Louis Smith from Sunday until Tuesday and attended the Adoration service at the Catholic church.—Salisbury Press-Spectator.

**More, More Apples**  
 To paraphrase an old quotation, "apples all around us and not one fit to eat." This is nearly true. There are millions of apples and in spite of this, with big, blushing, waxom apples as thick as fleas on a twenty-year old terrier's back, lying all around us, the apples that are good to eat are as scarce as hens' teeth. Two thousand men are wrestling with the crop in Greene county and Greene is the second apple producing county in Missouri. Howell county has been shipping an average of 12 car loads a day for the past two weeks, while at Mountain Grove, it was estimated a week ago there were fifty car loads of apples awaiting handling. Unless for superb specimens, 30c a bu. is the top price offered with few buyers, owing to the big crop. It is a far cry from apples a year ago at five to ten cents each, to apples now at 30c a bushel.

**Lecture Course**  
 The ladies of the Baptist church were out Friday making preliminary arrangements for a lecture course of five numbers to be given this winter. The move deserves the support of the people who like entertainments as there is no danger of Keytesville being overrun with desirable and high class entertainment features. Later it was learned they sold the requisite number of tickets necessary to insure the course and signed the contract.

When you have a bad cold you want the best medicine obtainable so as to cure it with as little delay as possible. Here is a druggist's opinion: "I have sold Chamberlain's Cough Remedy for fifteen years," says Enos Lollar of Saratoga, Ind., "and consider it the best on the market." For sale by all dealers.

**Brunswick's Big Fair**  
 Saturday evening, Keytesville was deprived of every citizen who could in some way get over to Brunswick to see the fair. Everybody was doing it. Keytesville turned out a big crowd each day, but Saturday was the big day. The colored contingent from this and adjoining towns overran everything. They crowded the railway station in a somber hue of funeral blackness. The fair proved to be a regular street fair, held in the town streets. The fair had big crowds each and every day. Shows of real merit were to be seen, also some good horse and mule races, but for the large part, the bunch was made up of the usual layout of petty grafters that attend every similar exhibition. Saturday night the supply of edibles ran short and it began to appear that Brunswick would have to spend Sunday on short rations, as the supply of bread had given out early in the evening and the "red-hot" and "hot-dog" men had to resort to crackers instead of bread to supply their customers. The fair was a success so far as a visitor could estimate it.

**Some Fine Shower**  
 It was a fine shower that visited Keytesville Monday morning. The good it did to the wheat and rye was incalculable. It put water in many cisterns that needed it badly, also into the ground for wells which were dry. It was a fine little rain, accompanied by lightning that was sufficiently vivid and emphatic to cause apprehension when several bolts struck in this vicinity.

**A Warm Season**  
 "They" say it is going to be a mild winter. One of the latest indications is said to be the thinness of the corn husks. Some of the old citizens say this is a sure sign as Nature furnishes the corn with a warm coat for the cold winters while this year Nature has provided them with nothing heavier than a thin cravatette. Signs multiply.

**Beware of Ointments for Catarrh That Contain Mercury**  
 Mercury will surely destroy the small and completely damage the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good they can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co., Testimonials free.  
 Sold by Druggists. Price 50c per bottle. Take Hall's Family Pills for constipation.

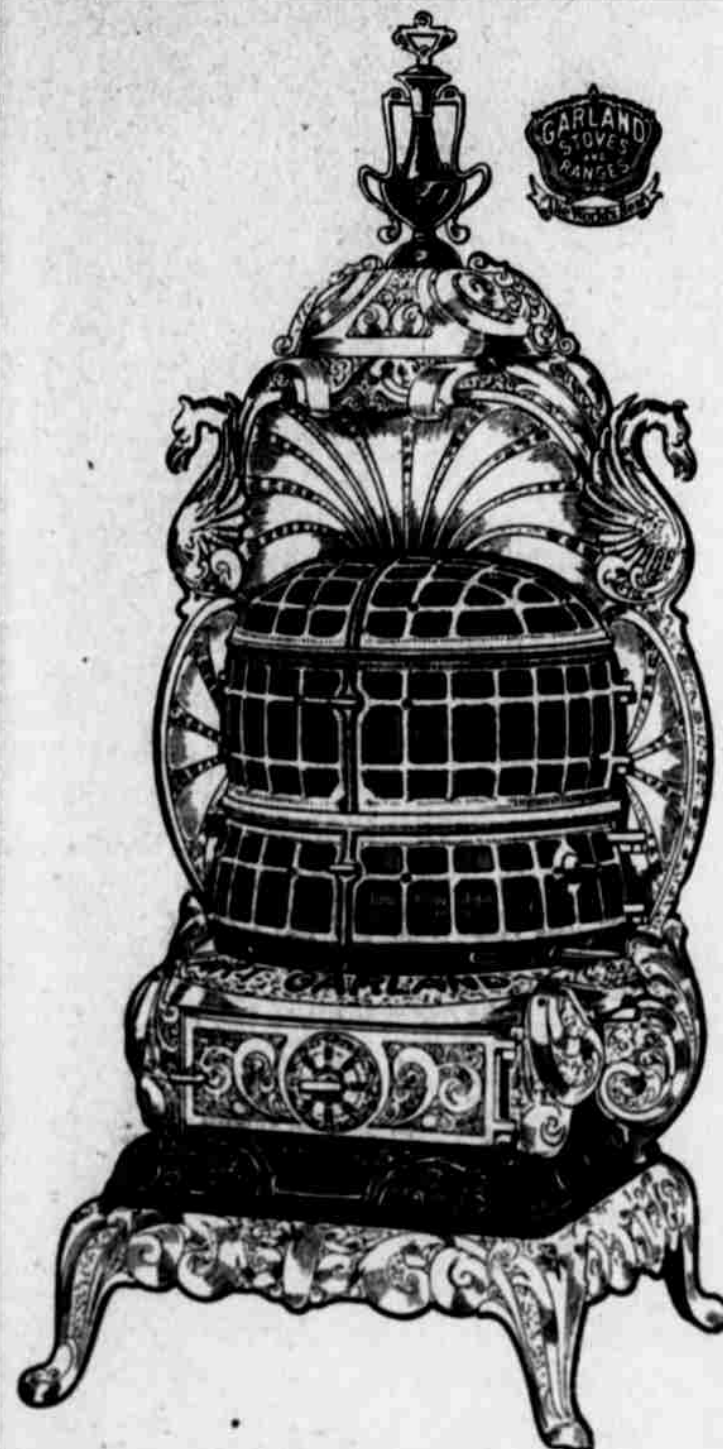

**Still Had Hopes**  
 "What was your son's social standing in college?"  
 "Oh, very fair. Why, he almost got into the Giber and Squeak Society."  
 "Indeed! How was that?"  
 "Why, you, know they always hit them on the back as a sign they have been selected, and George was hit on the back with such force that it knocked him down."  
 "Yes, indeed. He thought, of course, he had been chosen, but he found out afterward it was the class bully who hit him because he didn't like the set of his collar. But even that's a great honor. — Cleveland Plain Dealer.

**Bridge Completed**  
 County Engineer Cropper went out to the Wheeler bridge Friday and inspected it. The work was done excepting the final grading of approaches. This was done later. The bridge will be accepted as it is a good piece of work. The cost was about \$1600.

**Box Party**  
 Friday evening 7:30 at Agree school—3 miles southeast of Keytesville. Everybody cordially invited.

A dance was given in the Brown hotel sample room Friday night.

## Art Garland HARD COAL BASE BURNER

**Peoria Premium 3-flue Base Heater for Hard Coal.**

**King Bee Hot Blast** -- Keeps fire for 48 hours. Burns gas and smoke, which takes third less fuel—also floor heater.

**Cole's Hot Blast**  
 Also burns gas and smoke. German and Illinois heaters for soft coal, the best on the market.

**A BIG VARIETY OF Wood Stoves**  
 of all styles and prices

I have the largest stock and the best quality of stoves I ever had before.

Be sure to call and get my prices and satisfy yourself before you buy.

I have had 40 odd years experience in handling stoves, and I know what to buy to suit the people in quality and style.

# W. D. VAUGHAN

### Bury Cholera Hogs

Complaint has been made in adjoining counties that farmers who have lost hogs by cholera have refused or failed to bury them. The state law requires that the carcasses be either buried deep in the ground or incinerated. The reported violators are not great in number but it is said a few of them have violated the law. The report is to be investigated and violators will be warned against repetition of the offence. It is probable there will be no prosecution for these first offences but failure hereafter to regard the law will be dealt with. The carcasses are eaten by buzzards and other birds which in this way spread the disease which has cost the farmers hundreds of dollars.

### Defeat In Basketball

Keytesville experienced a reversal of form at Salisbury Saturday and instead of putting one over on the suburb boys, got one handed to them by the score of 11 to 8. A rally the last two minutes of the game put the Salisbury five in the lead after the game had stood at tie for some time. Prof. Bentley of Salisbury refereed the game.

### To Quiet Title

A suit has been filed in the circuit court to the November term to quiet title to two parcels of land in Chariton county which were devised to the descendants of William Thompson. The suit is entitled Morgan Thompson, infant, by Ada Thompson, guardian vs. James M. Thompson et al. The bill asks for a partition of lands in Chariton county.

John Coy went out to the home of Paul Kessler Thursday night to attend an "apple-parring." Coy said everybody had a fine time. The score indicated that he had eaten two apples to every one pared.

Congressman Rucker delivered a speech at Bogard, in Thomas' Hall, Saturday October 19.

G. M. Carlstead of Salisbury spent Saturday evening and Sunday in this city the guest of friends.

Mr. and Mrs. A. D. Long of Moberly were in the city Sunday to see the Cunningham residence with a view to investment.

Mrs. Claude Scott and daughter, Miss Dixie, of Moberly have been guests for several days at the home of Mrs. Mollie Wheeler.

Miss Vivian Walther entertained a number of friends Saturday, the guest of honor being Miss Ruth Turner, of Salisbury.

J. P. Crawly went to Brunswick Saturday and spent that day taking in the street fair. He also remained over Sunday.

Sick headache is caused by a disordered stomach. Take Chamberlain's Tablets and correct that and the headaches will disappear. For sale by all dealers.

County Superintendent Carlstead has been sending out to the teachers and others entitled thereto, a tabulated list of school teachers in Chariton County, together with their school numbers their post office addresses. These directories are found to be decidedly convenient.

Miss Maude Lewis, one of the teachers B. H. S. could not get along without, was the guest of Mrs. A. F. Arrington during our fair.

Lon Hurt, Dorothy Wayland, Eulah Harding and Julia Bess Allega were among those who went early to the Brunswick fair Saturday.

Miss Etta Shaughnessy left Sunday afternoon for Kansas City to make her future home. As soon as she gets a suitable residence, the remainder of the family intends going to reside.

Automobiles were plentiful through and out of Keytesville Friday and Saturday to the Brunswick fair. Every auto in the town was chartered Friday for the trip.

Mrs. Paul Carter, who has been visiting at her former home in this city left Saturday afternoon for her home in Versailles, Mo. She was accompanied by her brother, Cecil Ward.

The Land Commissioner of Texas urges ranch owners to give away every fourth farm. He claims the increase in value of the remainder would be great to say nothing of the big increase in population. This might suit everybody but the givee.

## A Remedy No Family Should Do Without

No matter how healthy a human being may be it is safe to say that not many months are passed without some obstruction of the bowels, in other words, constipation, even if only temporary. The bloating, the dull feeling may arise after the evening meal. If a laxative is not taken that night it is certain that sleep will not be sound, and you will awaken unrefreshed. Hence, it is important for you and for all the members of your family that a good reliable laxative be always kept in the house for just such emergency. It is sure to be needed, and when needed you want it at hand. No family that is careful of its health can do without such a remedy. But the question of which remedy to have on hand is also of vast importance. The laxative most highly recommended by the majority of leading American and foreign experts for babies and grown-ups is Dr. Caldwell's Syrup Pepsin. It is a liquid laxative, mild, and never grips, is effective on robust people and can be given with safety to an infant. Children like it because of its gentle qualities and because it is pleasant to the taste. It is the best all-around remedy you can have in the house for any disorder of the stomach, liver and bowels, and many people like Mr. R. C. Watkins, Richmond, Mo., and Mrs. T. M. Pollard, 220 1/2 St. Louis, Mo., say they would not be without the remedy as without Dr. Caldwell's Syrup Pepsin. Anyone wishing to make a trial of this remedy before buying it in the regular way at a druggist or city dealer, can have a large bottle (family size) and have a sample bottle sent to the home of Dr. R. C. Watkins, 220 1/2 St. Louis, Mo., or to Dr. T. M. Pollard, 220 1/2 St. Louis, Mo. Your name and address on a postal card will do.
